

Drop Elbows and Accessories

Drop elbows connect to the underground tank fill collar on one end and to the tanker drop hose at the other. They allow convenient hose connection and prevent hose damage due to kinks. Bayco brand elbows are built tough for consistent positive locking using solid bronze arms with modular construction for easy, low cost maintenance. Locking mechanisms, cam arms and bottom assemblies are interchangeable.

4" Drop Elbows

- comes with acrylic sight glass and Buna seals for sight glass
- bolt-on inlets for easy replacement
- solid bronze locking arms housed in polymer bushings provide the best bite of any elbows in the market
- lubrication fitting for locking stem, stem made of stainless steel
- modular quality cast aluminum construction
- field repair and upgrade are made simple due to modular design

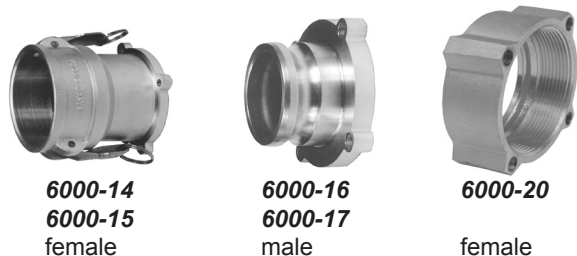

Part #	Description	'A' Overall Height	'B' Ground Clearance
6200	side lever standard height model	17-3/4"	10-7/8"
6200A	includes 4" male inlet assembled	17-3/4"	10-7/8"
6200AT	includes 4" male inlet and anti-spill tube assembled	17-3/4"	10-7/8"
6200B	includes 3" female inlet assembled	17-3/4"	10-7/8"
6200C	includes 3" male inlet assembled	17-3/4"	10-7/8"
6200D	includes 4" female inlet assembled	17-3/4"	10-7/8"
6200RH	side lever standard height, with right hand side lever	17-3/4"	10-7/8"
6200RHA	side lever standard height, with right hand side lever, 4" male inlet	17-3/4"	10-7/8"
6200T	side lever standard height, with anti-spill sleeve	17-3/4"	10-7/8"
6200X	side lever tall model	21"	13-3/4"
6200XA	side lever tall model with 4" male inlet installed	21"	13-3/4"
6200XAT	side lever tall model with anti-spill sleeve and 4" male inlet	21"	13-3/4"
6200XB	side lever tall model with 3" female inlet installed	21"	13-3/4"
6200XC	side lever tall model with 3" male inlet installed	21"	13-3/4"
6200XD	side lever tall model with 4" female inlet installed	21"	13-3/4"
6200XT	side lever tall model with anti-spill sleeve	21"	13-3/4"

Elbow Options

- **6000EXT:** Extension Kit (see page 11) provides extra height for deep fill boxes, kit increases elbow ground clearance by approximately 3". Can be used with all standard height 6000/6200/6500 series drop elbows.
- **6200SLK:** Safety Latch Kit (see page 11) locks the side lever of the 6200/6400 series elbows.
- **6200-17:** For standard height 6000/6200/6500 series elbows with anti spill tube kit
- **6200X-17:** Anti Spill Tube Kit for tall 6200/6500 series elbows

Elbow Inlets

- for 6000, 6000AS, 6200, 6500 elbows
- bolt-on easy to install/replace
- aluminum bodies with bronze cam arms
- comes with stainless steel cap screws (4)

Part #	Description
6000-14	4" female
6000-15	3" female
6000-16	3" male
6000-17	4" male
6000-20	4" male with FNPT
VR6000-6	3" male adapter for vapor elbows
